

Product Applications	Target Customers	RG308 - Range USP
<ul style="list-style-type: none"> • Offices • Warehouses • Schools and Halls • Factories • Temporary Building • Building Sites 	<ul style="list-style-type: none"> • Hire Companies • Construction Firms • Procurement Managers • Facility Management • Wholesalers & Resellers 	<p>The industry standard Fireflo range of portable infra red space heaters and fan heaters is a fixture in many of the worlds leading hire fleets and industrial supply catalogues. Designed using the very latest in heating and airflow technology the range includes infra red heaters, standard fan heaters and high volume machines suitable for ducting through multiple outlets or long distances. All built to withstand industrial use using the same high spec of materials and production methods this extensive range has something to suit every application and is an ideal safe, clean, fume free alternative to gas and diesel.</p>

Product Image	Product Specs	Product USP
 <p>RG308 NEW</p>	<p>RG308 240v 3kW 13 amp Nominal Heat Capacity (kW) 3kW Heat settings Half/Full Bulbs 2 x Quartz Halogen Supply 240v 50hz Plug Size 13A Mobility Portable Dimensions (Body) HxWxD (mm) 887x490x563 Weight 17kG</p>	<p>The fully portable RG308/13 provides localised heat for operatives or processes when traditional heat isn't an option. Runs from a standard 230V 13A socket and features industry standard halogen bulbs, two heat settings, a reduced glow and a high quality build specification, as well and a safety anti tilt switch for added safety.</p>
 <p>RG308 NEW</p>	<p>RG308 110v 1.6kW 16 amp Nominal Heat Capacity (kW) 1.6kW Heat settings Half/Full Bulbs 2 x Quartz Halogen Bulbs Supply 110v 50hz Plug Size 16A Mobility Portable Dimensions (Body) HxWxD (mm) 887x490x563 Weight 17kG</p>	<p>The fully portable RG308/16 provides localised heat for operatives or processes when traditional heat isn't an option. Runs from a standard 110V 16A supply and features industry standard halogen bulbs, two heat settings, a reduced glow and a high quality build specification.</p>
 <p>RG308 NEW</p>	<p>RG308 110v 3kW 32 amp Nominal Heat Capacity (kW) 3kW Heat settings Half/Full Bulbs 2 x Quartz Halogen Bulbs Supply 110v 50hz Plug Size 32A Mobility Portable Dimensions (Body) HxWxD (mm) 887x490x563 Weight 17kG</p>	<p>The fully portable RG308/32 provides localised heat for operatives or processes when traditional heat isn't an option. Runs from a standard 110V 32A supply and features industry standard halogen bulbs, two heat settings, a reduced glow and a high quality build specification, as well and a safety anti tilt switch for added safety.</p>

Ideal for a host of industrial applications

Industry standard halogen tubes offer unrivalled strength...

.. and heat efficiency

As Broughton strive to manufacture to the highest standards specifications and performances are subject to change without notice.
